## North Channel Bank: An Exceptional Merchant Bank for Innovative Banking Services

As an entrepreneurs' bank, we are a solution provider for financing growth and innovative business models. We thereby occupy niches that other banks do not focus on. Our services are as individual as our customers.

- We stand for clearly defined values such as solidity, transparency, and sustainability – values that originate from our roots and our self-image as a privately owned bank
- Personal, long-term customer relationships based on trust form the foundation of our mutual success. Our foundation for success is honesty, reliability, and the determination to achieve excellence
- On the basis of our high process efficiency, our profound commitment (ENGAGE), and our dynamic professional network (CONNECT), we develop result-oriented solutions together with our customers and pave the way for their greatest possible personal and entrepreneurial success (ENABLE)
